Hayley -- let's tentatively schedule you for our Feb 20th meeting to meet with the Registration Committee so we have more time for discussions. Please let me know what time will work with your schedule on that day (our committee meets from 9:00 – 3:00 so anytime after 9:30 would be ideal).

Thanks!

Hello Karen,

Thanks. If January 16 still works, then I am available for a 30 minute face-to-face discussion. I actually accounted for travel time when I provided you with my availability. Please let me know if January 16th still works for you. Otherwise, we can tentatively plan for February 20th given that I am currently in the position of Acting Deputy Director as part of a detail assignment.

Kind regards,
Hayley

Hayley – the CLA Registration Committee meets at the CLA offices at 1156 15th Street, NW (Suite 400). Our preference is for a face-to-face meeting - since you only have 30 minutes available, that wouldn't give you much time to travel to the CLA offices and then return to your office. We would still like the opportunity to meet with you – would you be available to attend our Feb 20th meeting (Tuesday)?

Thank you for your flexibility.

Karen,

Thank you for your email and the invitation to join the CLA Registration Committee for a discussion on Tuesday, January 16. The only window of time that I am available is from 1:30 – 2:00 p.m. Please let me know if this works, and is so, the location of the meeting.

Kind Regards,

Subject: Invitation to meet w/ CLA Registration Cmt Jan 16

Hayley –

As chair of the CropLife America (CLA) Registration Committee, I would like to invite you to meet with our committee members on Tuesday, January 16 for an hour or so to discuss topics of mutual interest. This would give CLA members an opportunity to meet you and learn your goals and expectations for this coming year in your new role.

We meet from 9 a.m. to 3 p.m., and could accommodate your visit anytime during that schedule. If this works with your schedule, we would provide topics and questions for discussion, in advance.

I look forward to hearing from you.

Karen
